

E-Zee Cut[®] Hefty

~ A Medium Weight Cut Away stabilizer

E-Zee Cut Hefty 2.0 oz. is a medium weight Cut Away stabilizer. A high quality stabilizer, it has a lofty, soft hand that is great for use with medium stitch counts and medium density designs. It is a stabilizer that hoops well, helps to provide clarity in designs and will maintain its shape after repeated washings. Use with medium weight fleece, knits and stretchy fabrics. Cut Away stabilizers should be used for unstable and knit fabrics.

How to use Cut Away Stabilizers

1. Cut a piece from a roll or use a piece of pre-cut E-Zee Cut[®] Hefty to fit your hoop size.
2. Hoop by placing the stabilizer underneath the garment and secure the hoop.
3. Embroider the design and remove the embroidered item from the hoop.
4. Trim the excess stabilizer with a sharp pair of scissors or shears, leaving approximately ¼" around the outside of the design. Rounding the corners instead of leaving them square or pointed will prevent curling.

Please Note

To avoid nicking the fabric when trimming away E-Zee Cut[®] stabilizers, hold the stabilizer while trimming and let the garment drape. Be sure to face it so you can see both the edge of the design and the fabric while you are trimming.

Available in these sizes:

Pre-cuts - 250 pieces per pack

• 6.5" x 6.5"

• 8" x 8"

Available in white and black

Rolls
