~ A Medium Weight Tear Away Stabilizer with Adhesive

E-Zee Tear[®] Stick-On 1.5 oz. is a Tear Away stabilizer with a release paper and pressure sensitive adhesive on one side. Use it for hard to hoop and small items such as pockets, socks, cuffs, belts and collars, etc. Prevent hoop burns with fabrics like velour and brushed corduroy. Great for stretch fabrics like bicycle shorts. Also used with Fast Frames[®].

How to use Tear Away Stabilizers with Pressure Sensitive Adhesive

1. Cut a piece from a roll or use a piece of pre-cut E-Zee Tear[®] Stick-On to fit your hoop size.
2. Hoop with the release paper facing up.
3. To expose the adhesive, carefully score an X pattern with the tip of a straight pin. Remove the paper inside the hoop area.
4. Position the garment and press on to adhere where the design is to be embroidered.
